

Drugscreen.com Questions

1. What is the project number?

The is not a project number. It is references as Drug and Alcohol Testing.

2. Please provide the drug panel detail for the non-DOT drug screen.

We screed for Amphetamines, Marijuana Metabolite, 6-AM Screen, Barbituates, Benzodizepines, Cocaine Metabolite, Methadone, Methaqualone, Opiates, Phencyclidine, Propoxyphene Metabolite.

3. Do you perform your own sample collections or do you require local collection site service?

We require local collection service.

4. Who is your current vendor for this service?

American Medical – DOT and Non-DOT – Hobbs, NM
ARTS DOT – Random and Non-DOT – Lovington, NM

5. Why is this RFB being issued?

We currently have more than one vendor providing these services and want to obtain the best price available.

6. What is your current pricing for the items on the pricing bid form?

We do not feel that this is an appropriate question as our current providers will be bidding as well and this would give your company an unfair advantage.

7. What collection sites do you currently use?

American Medical – DOT and Non-DOT – Hobbs, NM
ARTS DOT – Random and Non-DOT – Lovington, NM

Drugscreen.com Questions
