BE IT ORDAINED BY THE CITY
OF LOVINGTON —
LEA COUNTY JOINT ZONING AUTHORITY:

ARTICLE I

Section 1. TITLE

This ordinance shall be called the City of Lovington — Lea County Extraterritorial Zoning Ordinance.

Section 2. ADOPTING AUTHORITY

This ordinance is to establish and carry into effect the several powers, duties, and privileges conferred upon the municipality known as the City of Lovington, and the County of Lea, in, under, and by an Act of the New Mexico State Legislature, New Mexico Statutes Annotated, (1978), being laws 1972, ch. 279, Section 20, together with acts amendatory thereof, and supplementary thereto, including the designation of the municipality which shall be hereinafter referred to as the City of Lovington, and the County of Lea as zoning authorities.

Section 3. PURPOSES

A. This ordinance is intended to promote health, safety, morals, and the general welfare, and may regulate and restrict the following:

1. height, number of stories and size of buildings and structures;
2. percentage of a lot that may be occupied;
3. size of yards, courts, and other open spaces;
4. density of population; and
5. location and use of buildings, structures, and land for trade, industry, residence and other purposes.

B. For said purposes shall:

1. divide the territory under Joint Lovington-Lea County Zoning Authority jurisdiction into districts of such number, shape, area and form as is necessary to carry out the purposes of Sections 3-21-1 through 3-21-26 N.M.S.A. '78.

2. regulate or restrict the erection, construction, reconstruction, alteration, or use of buildings, structures or land in each district. All such regulations shall be uniform for each class or kinds of buildings within each district, but regulation in one district may differ from regulation in another district.

3. provide for the administration and interpretation of such regulations;

4. provide, subject to the restrictions of Section 3-21-4 N.M.S.A. 1978 for the manner in which zoning regulations, restrictions and the boundaries of districts are:

- a. Determined, established and enforced; and
- b. amended, supplemented or repealed.

C. Conformance to comprehensive plan

1. This ordinance is in accordance with recommendations of the Lea County 1973 Comprehensive Land Use Planning and Zoning Report, and the City of Lovington 1973 Comprehensive Plan, and is designed to:

- a. lessen congestion in the streets or public ways;
- b. secure safety from fire, flood water, panic, and other dangers;
- c. promote health and general welfare;
- d. provide adequate light and air;
- e. prevent the overcrowding of land;
- f. avoid undue concentrations of population;
- g. facilitate adequate provisions for transportation, water, sewerage, schools, parks, and other public requirements; and
- h. control and abate the unsightly or undesirable use of buildings or land.

2. Reasonable consideration shall be given, among other things, to the character of the zoning areas and districts, and their peculiar suitability for particular uses, and to conserving the value of buildings and land, and encouraging the most appropriate use of land throughout the jurisdiction.

Section 4. JURISDICTION

A. This ordinance shall cover all the territory within one mile of the boundary of the City of Lovington.

B. The boundary of the Extraterritorial Zone shall change automatically when municipal boundaries are changed. Zoning of property included by a boundary change shall be determined by the Zoning Authority.

Section 5. APPLICATION OF ZONING CODE

All property, except that property owned or controlled by the Federal Government, the State of New Mexico, the County of Lea, and the City of Lovington and their subdivisions or agencies, is governed according to the zone in which it is located. Any use not designated a permissive or conditional use in a zone is specifically prohibited from that zone, except as otherwise provided herein.

No building or land shall be used or occupied and no building or part thereof shall be erected, moved, or altered unless in conformity with the regulations specified for the zone in which it is located. No building shall be erected or altered to exceed the height, number of stories or size, or density of population, occupy a greater percentage of land area, have smaller front, rear or side yards, or open space, than is specified for the district. Such building, structure, or land for trade, industry, residential or other purposes shall be in conformity with the regulations of the district in which the land, building or structure is located.

Section 6. INTERPRETATIONS AND CONFLICTS

The regulations of this ordinance are held to include the minimum standards necessary to carry out the purposes of this ordinance. This ordinance is not intended to interfere with abrogate, or annul any easement, covenant, or other agreement between parties or other valid ordinances. The provisions of this ordinance which are in conflict with other ordinances, prevails where this ordinance imposes a greater restriction than is imposed by other rules, regulations, easements, covenants, agreements, or ordinances.

Section 7. SEVERABILITY

If any section, subsection, paragraph, sentence, clause, phrase or part hereof for any reason is declared unconstitutional or invalid, the validation of the remaining portions shall not be affected since it is the express intent of the City of Lovington — Lea County Joint Zoning Authority to pass each section, subsection, paragraph, clause, phrase, and every part hereof separately and independently of every other part.

ARTICLE II

Section 1. APPEALS

A. A Board of Appeals is hereby established and shall consist of the members of the Lovington-Lea County Zoning Authority hereafter called Zoning Authority.

B. Meeting of the Zoning Authority shall be held at the call of the Chairman and at such other times as the Zoning Authority may determine. All meetings of the Zoning Authority shall be open to the public. The Zoning Authority shall keep minutes of its proceedings showing the vote of each member upon each question, or if absent or failing to vote, indicating such facts, and shall keep records of its examinations and other official actions all of which shall be immediately filed in the office of the Zoning Authority and shall be a public record.

C. Appeals to the Zoning Authority may be taken by any person aggrieved or by any officer, department board or bureau of the LLCZA affected by any decision of the Enforcement Officer. Such appeal shall be taken within a reasonable time, not to exceed thirty (30) days from the date of the decision complained of, unless otherwise prescribed or extended by the Zoning Authority, by filing with the Enforcement Officer and with the Zoning Authority a notice of appeal specifying the grounds thereof. The Enforcement Officer shall forthwith transmit to the Zoning Authority all the papers constituting the file or record upon which such action appealed from is taken.

An appeal stays all proceedings in furtherance of the action appealed from, unless the Enforcement Officer shall certify to the Zoning Authority after the notice of appeal shall have been filed with him that, by reason of facts stated in the certificate, a stay would, in his opinion cause imminent peril to life or property. In such case, proceedings shall not be stayed otherwise than by a restraining order on application or notice to the Enforcement Officer and on due cause shown.

The Zoning Authority shall fix a reasonable time for the hearing of the appeal, give due notice thereof to the parties in interest and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent or by attorney. The concurring vote of four-fifths of all the members of the LLCZA shall be required to revise any order, requirement, decision or determination of the Enforcement Officer or to decide a case in favor of the applicant.

D. The Zoning Authority shall have the following powers:

1. Powers Relative to Administrative Errors: To hear and decide appeals where it is alleged there is an error in any order, requirement, decision or determination made by an administrative official in the enforcement of this ordinance.

2. Powers Relative to Variation: See Article XV

3. Powers Relative to Exception: Upon appeal, the Zoning Authority is hereby empowered to permit the following exceptions:

a. To permit the extension of a district where the boundary line of a district divides a lot of record.

b. To permit the erection and use of a building or the use of premises on any location for public service corporations for public utility purposes which the Zoning Authority deems reasonably necessary for the public convenience or welfare.

c. To interpret the provisions of the ordinance where the street layout actually on the ground varies from the street layout as shown on the map fixing the several districts, which map is attached to and made part of this ordinance.

E. Any person or persons aggrieved by any decision of the Zoning Authority may present to a court of competent jurisdiction a petition for court review of such decision within the time and in the manner as by state law in such case made and provided.

Section 2. EXTRATERRITORIAL ZONING COMMISSION

A. Powers Relative to Extraterritorial Zoning Commission and the duties of the Extraterritorial Zoning Commission are as follows:

1. Powers Relative to Extraterritorial Zoning Commission, established by the Joint Powers Agreement between the City of Lovington — Lea County, shall be the initial hearing body for all proceedings requesting variations from existing zoning requirements, applications for changes of zoning, and appeals from determinations of the Enforcement Officer. In all such situations the Extraterritorial Zoning Commission shall conduct a public hearing at a regularly scheduled meeting and shall thereafter submit its findings and recommendations to the Extraterritorial Zoning Authority, as further provided herein.

2. The Extraterritorial Zoning Commission shall act in an advisory capacity to the Zoning Authority in any appeal taken under the provisions of this ordinance, but shall exercise no judicial or legislative authority in so doing. For that purpose it shall be the duty of the Commission to hold an open hearing on all matters appealed to the Zoning Authority in advance of such hearing. Each party to the appeal shall be given three days notice in writing of such hearing.

3. It shall be the duty of the Enforcement Officer to present a statement of the controversy being appealed to the Commission. Any aggrieved person, any officer, department, board, or bureau of the Extraterritorial Zone affected by the decision appealed shall have the right to be heard before the Commission.

4. The Extraterritorial Zoning Commission shall have the power to promulgate rules and regulations governing hearings held by it under this Article. At the conclusion of the hearing, the Commission shall by a majority vote recommend to the Zoning Authority that the action appealed from either be sustained, reversed, or reversed in part. Such recommendation shall be advisory only and may be considered by the Zoning Authority in considering the appeal but shall not be binding upon it.

5. Nothing herein contained shall prevent the Zoning Authority from hearing and determining any appeal taken under this ordinance without having received the recommendation of the Extraterritorial Zoning Commission, if a report by the Commission has not been submitted to the Zoning Authority within sixty (60) days from filing of the notice of appeal as provided in paragraph 2, of this section.

Section 3. ENFORCEMENT

A. Duty to Enforce — it shall be the duty of the Extraterritorial Zoning Enforcement Officer to enforce the provisions of this zoning code.

B. Inspections — inspections shall be made by the Extraterritorial Enforcement Officer or a duly appointed agent.

C. Rules — The Extraterritorial Enforcement Officer may adopt rules for carrying into effect the provisions of this ordinance. Said rules must be consistent with this ordinance, subject to review by the Extraterritorial Zoning Authority.

Section 4. PENALTIES FOR NON-COMPLIANCE

A. Any person, firm, or corporation violating any of the provisions of this ordinance shall be punished by a fine not exceeding three hundred dollars (\$300) or imprisonment in the County jail not to exceed ninety (90) days, or both such fine and imprisonment. Each day's violation shall be considered a separate offense.

B. In the case that any building or structure is erected, constructed, reconstructed, altered, converted or maintained, or any building, structure or land is used in violation of this ordinance the proper authorities of the Extraterritorial Zone, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, maintenance or use to restrain, correct or abate such violation, to prevent the occupancy of said buildings,

structure or land or to prevent any illegal act, conduct, business or use in about such premises.

ARTICLE III

Section 1. AMENDMENTS AND CHANGES

A. Procedures -- The City of Lovington -- Lea County Zoning Authority may on its own motion or on signed petition therefore, made and filed with the Extraterritorial Zoning Ordinance Enforcement Officer, after published notice of public hearing and public hearing held, amend, supplement, modify or otherwise change the regulations, restrictions and boundaries herein established. Every such proposed change or amendment shall first be heard by the Extraterritorial Zoning Commission which shall submit its report and recommendation to the LLCZA. Any such proposed change or amendment which has failed to receive the approval of the Extraterritorial Zoning Commission shall not be passed by the LLCZA except by the favorable vote of four-fifths of the members of the Zoning Authority. 5 A four-fifths favorable vote of all the members of the LLCZA shall be required to pass an amendment or change of the zoning ordinance to effect a change of zoning classification to a less restrictive use; or to supplement, modify or otherwise change the regulations, restrictions or boundaries therein provided, where a valid protest is filed in the office of the Enforcement Officer at least five (5) days prior to the published date of public hearing therein. Said filed petition of protest shall reflect the protesting property owner's name and mailing address with lot, block, and subdivision description of property owned by said protestor, shall be subscribed by the bona-fide owner of legal or equitable title thereto and shall constitute in the aggregate not less than twenty (20) percent of:

1. the land or area proposed to be rezoned; or
2. the land adjacent to and within one hundred (100) feet of the area proposed to be rezoned or otherwise transformed, excluding public rights-of-way in measuring such one hundred (100) feet.

B. Any person or persons aggrieved by any such decision of the LLCZA may present to a court of competent jurisdiction a petition for court review thereof within the time and in the manner as provided herein.

C. Application for a requested change or zoning classification, amendment, modification, alteration, variance, or otherwise changing of the regulations, restrictions, boundaries, zones or districts, herein or hereinafter established, including applications for requested special use permits shall be made in writing to the duly authorized Enforcement Officer upon the prescribed application form therefore, and signed by the applicant.

ARTICLE IV

Section 1. DEFINITIONS

For the purpose of this ordinance, certain words, terms, and phrases are hereby defined and shall be construed as hereinafter set forth, unless it shall appear from the context that a different meaning is intended. Words used in the present tense shall include the future; the singular number shall include the plural; and the plural, the singular. The word "building" shall include the word "structure". The word "shall" is mandatory and the word "may" is permissive.

ALLEY: Any public space of thoroughfare of not less than twenty (20) feet, which provides a secondary means of access to abutting property which has been dedicated or deeded to the public for public use.

APARTMENT: Any building, or portion thereof, which is designed, built, rented, leased, let or hired out to be occupied, or which is occupied as the home or residence of three or more families living independently of each other and doing their own cooking in the said building.

BASEMENT: A story having part but not more than one-half (1/2) its height below grade. A basement is counted as a story for the purpose of height regulations, if subdivided and used for business or dwelling purposes by other than a janitor employed on the premises.

BOARDING HOUSE: A building other than a hotel where, for compensation and by prearrangement for definite periods, meals, or lodging and meals, are provided for three (3) or more persons, but not exceeding twenty (20) persons.

BUILDING: Any structure built for the support, shelter, or enclosure of persons, animals, chattels, or property of any kind, having a roof supported by columns or walls.

Accessory building or use: A subordinate building or use which is incidental to and customary in connection with the principal building or use.

Height: The vertical distance from the "grade" to the highest point of the coping of a flat roof or to the average height of the highest gable of a pitched roof.

CELLAR: A story having more than one-half (1/2) its height below grade.

DAY CARE CENTER: A structure where three or more children are kept and where supplemental parental care is provided, including day nursery, day care home for children, and kindergarten.

3. residences of those conducting and engaged in the operation
4. roadside stands for sale of farm products
5. sale and distribution of farm products other than agricultural machinery.

A farm shall not include the following:

1. commercial feed lots
2. utilizing garbage for feeding as a means of disposal
3. commercial sanitary landfill

FILLING/SERVICE STATION: Any land, building, structure or premises used for the retail sale of motor vehicle fuels, oils, accessories or for servicing or lubricating motor vehicles or installing and repairing parts and accessories. This does not include the repairing or replacing of motors, bodies, or fenders of motor vehicles or painting motor vehicles, and excluding public garages.

FRONT OF LOT: The front boundary line of a lot bordering on the street, and in the case of a corner lot may be either frontage.

FRONTAGE: Property on one side of a street measured along the line of the street.

GARAGE: Private -- An accessory building designed or used for the storage of not more than three (3) motor-driven vehicles owned and used by the occupants of the building to which it is accessory. No more than one (1) of the vehicles may be a commercial vehicle and of no more than two (2) ton maximum gross cargo weight.

Commercial -- A building or portion thereof, other than a private or storage garage, designed or used for parking, servicing, repairing, equipping, hiring, selling or storing motor-driven vehicles. The term "repairing" shall include automotive body repair but not the rebuilding, dismantling, or storage of wrecked or junked vehicles.

Storage -- A building or portion thereof designed or used exclusively for housing four (4) or more motor-driven vehicles.

GRADE: (a) For buildings having walls adjoining one street only the elevation of the sidewalk at the center of the wall adjoining the street.

(b) For buildings having walls adjoining more than one street the average of the elevation of the sidewalk at the center of all walls adjoining the streets.

(c) For buildings having no wall adjoining the street the average level for the finished surface of the ground adjacent to the exterior walls of the building.

Any wall approximately parallel to and not more than five feet from a street line is to be considered as

adjoining the street.

GUEST: Any person hiring or occupying a room for living or sleeping purposes.

GUEST ROOM: Any room or rooms used, or intended to be used by a guest for sleeping purposes.

HOME OCCUPATION: Any occupation or profession carried on by a member of a family residing on the premises, in connection with which there is used no sign other than one nonilluminated name plate attached to the building entrance which is not more than one square foot in area; provided, that no commodity is sold upon the premises, except that which is prepared upon the premises; provided, that no person is employed other than a member of the immediate family residing on the premises; provided, that no mechanical equipment is installed or used except such that is normally used for domestic or household purposes; provided that no structural, plumbing or electrical additions or installations are necessary for the operation or establishment of such occupation; provided, that no state, county or city licenses are necessary or required to conduct such occupation; and provided, that such occupation is one which is customarily carried on in the home.

HOTEL: Any building containing six or more guest rooms intended or designed to be used or which are used, rented, or hired out to be occupied, or which are occupied for sleeping purposes by guests.

HOUSE TRAILER: See mobile home.

INSTITUTION: A building occupied by a non-profit corporation or non-profit establishment for public use.

INTERIOR COURT: An open space that is more than half surrounded by a single building.

JUNKYARD: The use of a lot or portion thereof for the storage, keeping or abandonment of junk, dismantled automobiles, or other vehicles, or machinery, or parts thereof, including scrap metals, rags, or other scrap materials.

LLCZA: Lovington-Lea County Zoning Authority. Consists of three (3) Commissioners from the Lea County Commission and two (2) Commissioners of the Lovington City Commission.

LAUNDROMAT: A building in which domestic type washing machines and/or dryers are provided on a rental basis for use by individuals doing their own laundry.

LODGING HOUSE: A building where lodging only is provided for compensation to three or more, but not exceeding twenty (20) persons, in contrast to hotels and motels.

LOT: A parcel of land adequate for occupancy by a use herein permitted, providing yards, building area, and off-street parking as herein provided. This parcel of land, which is part of a subdivision or described by metes and bounds, shall have a map or other legal description which is recorded in the Lea County Clerk's office.

Corner lot: A lot abutting upon two (2) or more streets at their intersection. A lot shall be considered to be in that block in which the lot fronts.

Depth: The mean horizontal distance between the front and rear lot lines.

Interior lot: A lot other than a corner lot.

Lot of record: A lot as defined in this ordinance and recorded in the office of the Lea County Clerk prior to the effective date of this ordinance.

Through lot or double frontage: A lot having a frontage on two (2) non-intersecting or parallel streets, as distinguished from a corner lot.

Width: The shortest distance between the side lot lines measured at the mean distance of the side lot lines.

MOBILE HOME: A dwelling unit built on a chassis with a body width exceeding eight (8) feet and body length exceeding forty (40) feet, designed to be used as living quarters, with or without a permanent foundation, when connected to the required utilities.

MOBILE HOME PARK: Shall mean a subdivision designated and developed for long term residential use and intended for rent or lease exclusively for mobile homes.

MOBILE HOME SUBDIVISION: Shall mean a subdivision designated and developed for long term residential use and intended for sale where the residents are comprised of mobile homes.

MOTEL: (see hotel).

NON-CONFORMING USE: The use of any premises contrary to the use provision of this ordinance for the district in which the premises are located.

NURSING HOME: A home for aged or infirm in which three or more persons are received, kept or provided with shelter and/or care for compensation; but not including hospitals, clinics or similar institutions.

OFFICE: A place where consulting, record keeping, the work of a professional person such as a physician or lawyer is done; or a headquarters of an enterprise or organization. The sale on premises of commodities is not included.

OPEN SPACE: Land without structures, i.e. with no man made spatial enclosures, or alternatively, may include large tracts with only minor structures. Open space includes parks, areas used for farms or forestry, and open areas in gradual transition towards the local climax vegetation. It also includes open areas on the same tract with low density residential, commercial, and industrial development. Moreover, under the alternative definition above, open space may also include the open areas on large tracts which are reserved, but not fully used for other purposes, for example airports.

PARKING: Off-Street Parking — An on-the-property space for the standing, loading and unloading of vehicles. For district requirements, check the specific article for applicable district.

Off-Street Loading — A surface area, enclosed, or unenclosed, together with a surface driveway connecting the parking space with a street or alley and permitting egress and ingress of an automobile. For district requirements, check the specific article for applicable district.

PARKING LOT: A parcel of land devoted to unenclosed parking spaces.

PARKING SPACE: A surface area, enclosed or unenclosed, sufficient in size to store one automobile, together with a surface driveway connecting the parking space with a street or alley and permitting ingress and egress of an automobile.

PERSON: Shall be construed to include a person, entity, partnership, firm, company, corporation, tenant, owner, lessee, or agent, heir, or assignee.

STABLE: A structure for the purpose of sheltering and feeding livestock.
Public — A stable of which the stalls and/or livestock are for rent.

STORAGE UNITS (see warehouse)

STORY: That portion of a building included between the upper surface of the next floor above, except that the topmost story shall be that portion of a building included between the upper of the topmost floor and the ceiling or roof above. UBC.

Half-story — A space under a sloping roof which has the line of intersection of roof decking and wall face not more than three (3) feet above the top floor level, and in which space not more than two-thirds (2/3) of the floor area is finished off for use. A half-story containing independent living quarters or apartments shall be counted as a full story.

STREET: All property dedicated or intended for primary public or private right-of-way purposes or subject to public easements therefore.

STRUCTURE: Anything constructed or erected, the use of which requires permanent location on the ground or attached to something having a permanent location on the ground, including but without limiting the generality of the foregoing, advertising signs, billboards, backstops for tennis courts and pergolas.

STRUCTURAL ALTERATIONS: Any change in the supporting members of a building such as bearing walls or partitions, columns, beams or girders, or any substantial change in the roof or in the exterior walls.

TOURIST OR TRAILER CAMP: An area containing one or more structures designed to be used as temporary living facilities of two or more families and intended primarily for automobile transients, or providing spaces where two or more tents or auto trailers can be parked.

TOWNHOUSE: One residential unit of a contiguous series of two or more single-family residences which are joined by party walls.

TRAVEL TRAILER: Any vehicle or similar portable structure with or without motive power, designed to be drawn or placed upon a vehicle and to be used for a short-term temporary dwelling unit. Such units shall be eight (8) feet or less in width and be less than forty (40) in length.

Dependent unit — Shall mean a unit other than a self contained unit.

Self-contained unit — A travel trailer or recreational vehicle which can operate independent of connections to external sewer, water, electrical systems, and contains water storage facilities, a toilet and holding tank for solid waste.

TRAVEL TRAILER PARK: Any lot, tract, or parcel of land licensed and rented or offered for rent for the temporary parking of travel trailers.

UBC: Uniform Building Code, latest edition.

WAREHOUSE: A place for storage of merchandise or commodities.

YARD: An open space at grade, between a building and the adjoining lot lines, unoccupied and unobstructed by any portion of a structure the ground upward, except as otherwise provided herein. In measuring a yard for the purpose of determining the width of a side yard, the depth of a front yard, or the depth of a rear yard, the minimum distance between the lot line and the main building shall be used.

Front — The yard extending across the front of a lot between the side lot line and being the minimum distance between the property line and the main building or any portion thereof, other than steps.

Rear — A yard extending across the rear of a lot between the lot lines and being the minimum distance between the rear property line and the rear of the main building or any projections, other than steps.

Side — A yard between the building and the side line of the lot and extending from the front line to the rear yard line.

ZONING AUTHORITY: See LLCZA.

ZONING COMMISSION: An advisory commission, three (3) Commissioners being duly appointed by the Mayor and three (3) Commissioners appointed by the Lea County Commission and one (1) additional member appointed by the Extraterritorial Zoning Commissioners; whose duty is to initially review and recommend action to the Lovington-Lea County Zoning Authority.

ZONING MAP: A map indicating the officially approved and designated zoning districts.

ARTICLE V

Section 1. BOUNDARIES AND DISTRICTS

A. Rules Where Uncertainty May Arise. Where uncertainty exists with respect to the boundaries of the various districts as shown on the district map accompanying and made a part of this ordinance, the following rules apply:

1. The district boundaries are either streets or alleys unless otherwise shown, and where the districts designated on the district map accompanying and made a part of this ordinance are bounded approximately by street or alley lines, the street or alley shall be construed to be the boundary of the district.

2. Where a district boundary is indicated as approximately following the center line of street, the lot line of lots, the center line of alleys, or the center line of railroad tracks, or the right-of-way line of highways, then such lines shall be construed to be the district boundaries.

3. Where a district boundary is indicated as approximately parallel to the center line of streets, the center line of alleys, or the center lines or rights-of-way lines of highways, the district boundary shall be construed as being parallel thereto and at a distance therefrom as indicated on the zoning map. If no distance is given, the distance shall be determined by the use of the scale shown on the zoning map.

4. Where the district boundaries are not otherwise indicated, and where the property has been or may hereinafter be divided into blocks and lots, the district boundaries shall be construed to be the lot lines. Where the districts designated on the district map accompanying and made part of this ordinance are bounded approximately by lot lines, section lines, or other legal subdivision lines, such lines shall be construed to be the boundary of the district.

5. Whenever any street, alley, or other public way is vacated as provided by law, the district adjoining each side of such a street, alley, or public way shall be automatically extended to the center of such vacation, and the area included in the vacation shall be subject to regulations of the extended districts.

ARTICLE VI

Section 1. ESTABLISHMENT OF ZONES

A. For the purpose of this ordinance the area within the extraterritorial limits of the City of Lovington is divided into five (5) zones or use districts as follows:

1. R-1 SINGLE FAMILY RESIDENTIAL
2. R-2 MULTIPLE FAMILY RESIDENTIAL
3. R-3 COMMERCIAL
4. R-4 INDUSTRIAL
5. R-5 RURAL SUBURBAN

B. The boundaries of these zones or use districts are hereby established as shown on a map entitled ONE MILE EXTRATERRITORIAL ZONING MAP, on file in the office of the City and County Clerk; which map with all explanatory matter thereon is hereby made a part of this ordinance.

ARTICLE VII

R-1 SINGLE FAMILY RESIDENTIAL DWELLING DISTRICT REGULATIONS

ARTICLE XIII
Section 1.
ADDITIONAL HEIGHT, AREA AND
USE REGULATIONS

A. the district regulations hereinafter set forth in this article qualify or supplement, as the case may be, the district regulations appearing elsewhere in this ordinance.

1. Public, semipublic or public service buildings, hospitals, institutions or schools, when permitted in a district, may be erected to a height not exceeding sixty feet, and churches and temples may be erected to a height not exceeding seventy-five feet, if that part of the building exceeding the height limit is set back from each yard line at least one foot for each foot of additional building height above the height limit otherwise provided in the district in which the building is built.

2. Single-family dwellings, two-family dwellings and multiple dwellings may be increased in height by not more than ten feet when the side and rear yards are increased over the yard requirements of the district in which they are located, by not less than ten feet, but they shall not exceed three stories in height.

3. Chimneys, cooling towers, elevator bulkheads, fire towers, monuments, stacks, stage towers or scenery lofts, tanks, water towers, ornamental towers and spires, church steeples, radio towers, or necessary mechanical appurtenances, and farm buildings may be erected to a height in accordance with existing or thereafter adopted ordinances.

4. Accessory buildings which are to be used for storage purposes only may be erected upon a lot prior to the construction of the main buildings, but no accessory building shall be used for a dwelling purpose except by domestic or farm and ranch servants employed on the premises.

5. Accessory buildings and uses, not attached to the main building or structure, and is a use customarily incidental to the permitted uses in a residential dwelling district, but not involving the conduct of a business, shall be located not less than sixty (60) feet from the front lot line.

6. Accessory uses in a commercial district; exterior storage for display of products for rent or sale may occupy not more than fifteen (15%) percent of the interior display area. This excludes on site outside storage of materials for manufacture or assemblage and not for display.

7. Every part of a required yard or interior court shall be open to the sky unobstructed, except for accessory buildings in a rear yard, and except for the ordinary projections of skylights, sills, belt courses, cornices, and ornamental features projecting not to exceed twelve (12) inches.

8. Open or lattice-enclosed fire escapes, fireproof outside stairways, and balconies opening upon fire towers projecting into a rear yard not more than five (5) feet, and the ordinary projections of chimneys and flues may be permitted by the Enforcement Officer.

9. An open unenclosed porch or paved terrace, may project into a required front or rear yard for a distance of not exceeding ten (10) feet.

10. For the purpose of the side yard regulations, a two-family or a multiple family dwelling shall be considered as one (1) building occupying one (1) lot.

a. Where the building farthest from the street provides a front yard not more than ten (10) feet deeper than the building closest to the street, then the front yard is and remains an average of the existing front yards.

b. Where condition a. is not the case and a lot is within 100 feet of a building on each side, then the front yard is a line drawn from the closest front corners of these two adjacent buildings.

c. Where neither conditions, a. or b. is the case and the lot is within 100 feet of an existing building on one side only, then the front yard is the same as that of the existing adjacent building.

11. Corner lots.

a. Corner lots shall have a side yard of ten (10) feet on the street side of the lot in all residential dwelling districts.

b. On the street side of a corner lot in an industrial or a commercial district that adjoins a dwelling district there shall be a side yard of not less than 15 feet.

12. Front Yard:

a. Where the structures within a single block in a residential area have observed a variation in the front yard line, but not more than ten (10) feet, a building may not project into the front setback more than the average of forty (40%) percent of the building in that block.

b. Where lots have a double frontage, a front yard shall be required on both streets.

c. In a commercial, industrial, or office district where the frontage on one side of the street between two intersecting streets is located partially in a dwelling district, the yard requirements of a dwelling district shall apply.

d. Residential — Planned Unit Development shall not be required to have side or rear yard setbacks except those required for fire zones indicated in the Uniform Building Code and parking and subdivision criteria.

13. Side Yard:

a. In a commercial or industrial district, on the

side of a lot adjoining a dwelling district, in which case there shall be a side yard of not less than fifteen (15) feet.

b. The side yard on the street side of a corner lot shall not be less than ten (10) feet.

c. Where a commercial or industrial district rear a residential district, there shall be a side yard of not less than fifteen (15) feet.

14. Rear Yard:

a. In a commercial district where a lot does not abut an alley there shall be a rear yard having a depth of not less than twenty (20) feet unless the lot is a lot of record at the time of the passage of this ordinance and is less than one hundred (100) feet in depth in which case the rear yard need not, exceed twenty (20) percent of the depth of the lot.

b. In an industrial or commercial district where the lot abuts on a dwelling district, there shall be a rear yard of not less than twenty (20) feet.

15. Interior Courts: All interior courts shall have a width equal to at least the height of the highest part of the building forming the court.

16. An industrial, commercial or office district which abuts a residential district at the rear or side yard shall be required to provide a maintained and landscaped buffer setback of fifteen (15) feet and a solid fence of brick, masonry, stone or wood.

ARTICLE XIV
NON-CONFORMING USE
DISTRICT REGULATIONS

A. The lawful use of land containing no building, which does not conform to the provisions of this ordinance shall be discontinued within five (5) years from the date of the approval of this ordinance and the use of land which becomes non-conforming by reason of a subsequent change in this ordinance shall also be discontinued within five (5) years from the date of the change.

B. The lawful use of a building existing at the time of the adoption of this ordinance may be continued, although such use does not conform with the provisions hereof, and such use may be utilized throughout the building provided no structural alterations, except those required by law or ordinance, are made therein. The foregoing provisions shall also apply to non-conforming uses in districts hereafter changed. Whenever a non-conforming use, of a building has been changed to a more restricted use or to a conforming use, such use shall not thereafter be changed to a less restricted use.

C. A Use Certification shall be required for all lawful non-conforming use of land or buildings created by the adoption of this ordinance. Application for such Certification for a non-conforming use shall be filed with the Enforcement Officer by the owner or lessee of the building or land occupied by such non-conforming use, within one (1) year of the effective date of this ordinance. It shall be the duty of the Enforcement Officer to issue a Use Certification for a lawful non-conforming use. Failure to apply for such Use Certification for a non-conforming use, or refusal of the Enforcement Officer to issue a Use Certification for such non-conforming use shall be prima facie evidence that said non-conforming use was either illegal or did not lawfully exist at the effective date of this ordinance.

D. Improvements which have been damaged by fire, explosion, act of God, or the public enemy, to the extent of more than fifty percent (50%) of the total of the real property improvements, shall not be restored except in conformity with the regulations of this ordinance.

E. Discontinuance of Non-conforming Use. In the event that a non-conforming use of any building or premises is discontinued for one (1) year the use of the same shall thereafter conform to the use permitted in the district in which it is located.

F. No existing building or premises devoted to a use not permitted by this ordinance in the district in which such building or premises is located, except when required to do so by law or ordinance, shall be enlarged, extended, reconstructed, or structurally altered unless such use is changed to one permitted in the district in which such building or premises is located.

ARTICLE XV
VARIANCES

Section 1. POWERS RELATIVE TO VARIATION

A. Whereby reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of the original adoption of the regulations, or by reason or exceptional topographical conditions, or other extraordinary or exceptional situation or condition of a specific piece of property which condition is not generally prevalent in the neighborhood, the strict application of this ordinance would result in peculiar and exceptional and undue hardship upon the owner of such property, a variation from such strict application may be granted so as to relieve such difficulties or hardships.

B. Authorize upon appeal, whenever a property owner can show that a strict application of the terms of this zoning code relating to the use, construction or alterations of buildings or structures or the use of the

land will impose upon him unusual difficulties or particular hardship, such variations of the strict application of the terms for this zoning code as are in harmony with its general purpose and intent, but only when the LLCZA is satisfied that a granting of such variation will not merely serve as a convenience to the applicant, but will alleviate some demonstrable and unusual hardship or difficulty so great as to warrant a variation from the general plan as established by this zoning code, and at the same time, the surrounding property will be properly protected.

ARTICLE XVI
USE PERMITS

Section 1. EXCEPT AS OTHERWISE PROVIDED IN THIS ORDINANCE

A. No buildings or structures shall be erected, constructed, reconstructed or structurally altered, nor shall any building, structure or land be used for any purpose other than those permitted in the district in which such building, structure or land is situated.

B. No building or structure shall be erected, constructed, extended, enlarged, reconstructed or structurally altered to exceed the height or area limit herein established for the district in which such building or structure is situated.

C. No lot area shall be reduced or diminished so that the yards or other open spaces shall be smaller than prescribed by this ordinance, nor shall the density of population be increased in any manner, except in conformity with the area regulations established herein.

D. When use has been commenced without the required permit, the Enforcement Officer is authorized to file court action for failure to obtain the required permit prior to the inception of such use.

Section 2. FORM

A. An application for a permit shall be submitted in such form as the Enforcement Officer shall require.

B. Such application shall be made by the owner or lessee, or agent of either, or the architect, engineer, or builder employed in connection with the proposed use. If such application is made by a person other than the owner in fact, it shall be accompanied by a duly verified affidavit of the owner in fact that the person making the application is authorized to make such an application.

C. Such application shall contain the full names and addresses of the applicant and of the owner (and if the owner is a corporate body, of its responsible officers.)

D. Such application shall describe briefly the proposed use and shall give such additional information as may be required by the Enforcement Officer for an intelligent understanding of the proposed use.

Section 3. PLANS

A. Application for permits shall be accompanied by such drawings of the proposed work, drawn to scale, including such sections, elevations and structure details, as the Enforcement Officer may require.

Section 4. PLOT DIAGRAMS

A. There shall also be filed a plot diagram showing the lot in a form and size suitable for filing permanently with the permit record, drawn to scale, with all-dimension figures, showing accurately the size and exact location of all proposed new construction or in the case of demolition, of such construction as is to be demolished and of all existing buildings and structures that are to remain.

Section 5. AMENDMENTS

A. Nothing in this section shall prohibit the filing of amendments to an application or to a plan or other record, accompanying the same at any time before the completion of the use for which the permit was sought. Such amendment, after approval, shall be filed with and be deemed a part of the original application.

Section 6. COMPLETION OF EXISTING BUILDINGS

A. Nothing in this ordinance shall require changes in the plans, construction or designated use of a building for which a lawful permit has been heretofore issued or which has been otherwise lawfully authorized, and the construction of which shall have been actually begun within ninety (90) days after this ordinance becomes effective and which entire building shall be completed, as authorized, within two years thereafter.

Section 7. ACTION ON APPLICATION

A. It shall be the duty of the Enforcement Officer, to examine applications for use permits, within a reasonable time after filing. If, after examination, he finds no objection to the same and it appears that the proposed use will be in compliance with the laws and ordinances applicable thereto, he shall approve such application and issue a permit for the proposed use as soon as practicable. If his examination reveals otherwise, he will reject such application, noting his findings in a report to be attached to the application and delivering a copy to the applicant.

Section 8. CONDITIONS OF THE PERMIT

A. All uses performed under a permit issued by the Enforcement Officer shall conform to the approved ap-

plication and plans, and approved amendments thereof.

B. The location of all new construction as shown on the approved plat diagram or an approved amendment thereof, shall be strictly adhered to.

C. It shall be unlawful to reduce or diminish the area of a lot or plat of which a plat diagram has been filed and has been used as a basis for a permit, unless a revised plot diagram showing the proposed change in conditions shall have been filed and approved, providing that this shall not apply when the lot is reduced by reason of a street opening or widening or other public improvement.

Section 9. SIGNATURE TO PERMIT

A. Every use permit issued by the ETZ Enforcement Officer under the provisions of this ordinance shall have his signature affixed thereto; but this shall not prevent him from authorizing an agent to affix such signature.
